LOENKI

DID YOU KNOW?

TEST YOUR KNOWLEDGE

- The smallest bird is the bee-eater.
- The largest bird is the ostrich.
- A group of birds is called a flock.

SENSES

Choose your sense for 10 seconds. You have 10 seconds.

ACTION STATIONS

Many birds fly in a V-shape. Why do they do this? They fly in a V-shape so they can see a large V shape and move together as a group.

PUZZLE TIME

YTD ALBA
Barn Owl
