

Sports Bulletin

We have continued to develop and improve our PE and Sports provision at Holy Trinity. We are passionate about delivering a varied curriculum which exposes the children to wide range of sports and disciplines. All classes from Years 1 to 6 have two hours of taught PE each week, one lesson with their class teacher and one with Coach Stan. As we are passionate about all pupils accessing PE, Coach Stan also teaches a PE lesson to each Reception class and Nursery class each week too, a rare provision in a primary school.

We have held numerous trials this year for our sport teams including tag rugby, hockey, netball, cricket, football, and rounders and those teams have then had regular training sessions before school. We have competed in a record number of sports competitions for us and done so with great success!

In 2025-2026, the following KS2 pupil have represented the school at least one sporting event:

Year 3 – 62%

Year 4 – 79%

Year 5 – 83%

Year 6 – 84%

86% of our KS2 pupils with SEND have represented the school in competitions or inclusive events.

We reached the Borough finals for the Boys Football, Boys Cricket and Girls Cricket

We reached the County finals for both Boys and Girls Cricket.

As a result of their performance at the cricket finals, 3 Y5 boys and 2 Y6 girls were scouted for a trial for Surrey County Cricket Club Pathway.

COMPETITIVE SPORT

We have competed in over 40 competitions, including:

- KS2 Dodgeball Festival
- KS2 Inclusive Multi-Skills
- Y3/4 Inclusive Kurling Championships

- Y5/6 Girls Cricket Borough Championships
- Y5/6 Open Cricket Borough Championships
- Y5/6 Girls Cricket Development Competition
- Y5/6 Open Cricket Development Competition
- Y5/6 Athletics Borough Championships
- Y5/6 Rounders Development Competition
- Y5/6 Rounders Borough Championships
- Y5/6 Merton Open Team Football League
- Y5/6 Merton Girls Football League
- Y5/6 AFC Wimbledon Foundation Kids Football Cup

SPORTS DAYS

Despite the heatwave, we managed to host most of year group sports days. During the summer term athletics is a major part of the PE curriculum for Years 1 to 6 and it was wonderful to see them use their skills to compete.

The following Sports Day Awards were presented to pupils in each class in our end of year celebration worship:

- Best Leadership Skills
- Best Attitude
- Most enthusiastic
- Most Determined
- Most Sportspersonlike
- Best Effort & Commitment

All the points the children earned in their events on their Sports Day were totaled and the winning house was presented with the Sports Cup for 2026. Well done Effra!

SPORTS COACH

We were very sad to lose Coach Bailey in the Spring term but were relieved that his replacement was someone we already knew! It was fabulous to welcome Coach Stan back to teaching at Holy Trinity – it feels like he has never been away.

Staff in school see first-hand how good Stan is at teaching PE, coaching our teams and facilitating games and sports at lunchtimes. It has been great this term that others have also seen what a great coach he is:

One parent attending a sports competitions said, *'Stan was fab with them all, gentle support, coaching and letting them get on with it.'*

Nicola Ryan, the director of MSSP (Merton Schools Sports Partnership) who host all the competitions throughout the year said,

'Your NEAT Coach is doing a great job. The children are well prepared and happy, and he is very good with them at our events.'

Well done Coach Stan – here is to another successful year of sport next year!
