

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓ we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓ we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓ we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

We are so proud of our Year 6 children who have completed their SATS tests this week. We thank God for their diligence and perseverance.

Year 4 are now fully recovered from their brilliant visit to PGL last week, when lots of memories were made and fears conquered!

2B thoroughly enjoyed their breadmaking workshop run by Caterlink.

5H had fun playing loop card games to find complements to one up to three decimal places. They then played cards, competing to find simple complements to one e.g. $2 (0.2) + 3 (0.3) + 5 (0.5)$ were complements to one.

Merton's Mini-Marathon Success

Across Merton, we finished with **49 schools involved**, which meant **66% of all Merton schools were involved**. This placed Merton **2nd across London**, narrowly behind Tower Hamlets, who finished on 72%. Third place was some way behind, with 38% of schools signed up.

Parent/Carer Survey – We would love to hear your views on our school!

Our annual parent/carers survey is going live today. Please do take the time to complete one response per family. If your answers are different for different children, please use the comments boxes to give further information.

To complete the survey, please click on the link below: <https://forms.gle/SGTckvqWGjbnEuuZ7>

We are looking for as many responses as possible this year – there may well be a prize for the year group with the most responses!

The information we obtain from this survey is so helpful in shaping our School Improvement Plan for the next academic year. Following the survey, governors will organise a way to discuss aspects of the survey in more detail. Watch this space for further information.

Share My Learning – Friday 22nd May (Nursery to Year 6)

Share My Learning sessions are an opportunity for children to show their parents/carers their work and their classroom. The *Share My Learning* session this half-term will be held on **Friday 22nd May** for all year groups.

If you arrive between 8.15 and 8.30am, please enter via the main front door on Effra Road. After this time, enter via the Faraday Gate from the playground. We will ask parents to vacate the building at 8.45am so that we can start the school day promptly.

If you are a key worker, and unable to come in and see your child's work, do email headteacher@holytrinity.merton.sch.uk and I will work out a way for you to see the books.
