

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓ we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓ we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓ we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

Thank you for your support this week. Many of us have spent the day celebrating King Charles' Coronation – making, and wearing crowns, decorating biscuits and enjoying a street party. In worship this morning we prayed for God's blessing on King Charles and Queen Camilla.

As part of their Religious Education unit this half term, Year 3 went on a trip to see the Buddhist Temple. Comments from the children: It was amazing! It was interesting! Getting to see inside the Buddhist temple was a great experience.

Year 5 had a science workshop this week – they created their own slime!

George and his mum are raising money for Christ Church, a church within the Merton Priory Parish. Do consider sponsoring them through their JustGiving page.

Help raise £500 to raise money for Christ Church 150 Year Anniversary Building Fund, George and I are travelling through 150 different tube stations in a day!
