

HOLY TRINITY C of E PRIMARY SCHOOL - SPORTS SPECIAL OCTOBER 2022

PE & Sports @ Holy Trinity

This year has got off to racing start! We held many trials for our first sports teams since the start of the pandemic, audited, replaced, and added to our great range of equipment and already competed in three borough competitions! Coach Bailey has joined our teaching team and has already become a well-respected and loved coach; we excited to see how he can develop our sport performance this year. Here is to a great year of sport ahead at Holy Trinity!

Sports Teams

We have employed Coach Bailey for an additional day a week this year so that he has time to train our sports teams and accompany them to competitions. He has been very busy this half term running trials and we now have Years 5&6 Boys' Football teams A and B; Years 5&6 Girls' Football Tams A and B; Years 5&6 Netball Team; Years 4, 5 & 6 Hockey Team and Years 4, 5 & 6 Tag Rugby Team. Next term we plan to develop our Cricket, Athletics, Tennis and Swimming Teams too – very exciting!

PE Equipment

We have used some of PE Premium Funds to purchase a wide range of new equipment, including curriculum equipment for tag rugby, hockey, athletics and gymnastics; lunchtime play equipment and training equipment for our new sports teams. Needless to say, they have been very well received and being put to great use!

A League of Our Own

This term sees the start of the borough's school boys' football and girls' football leagues and we are proud to have teams representing HT in both.

The teams will begin to train hard after half term for the borough championships in hockey, netball and tag rugby, go HT!
