

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓ we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓ we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓ we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

Phew! What a hot and busy week it has been. Thank you so much for all of your many messages of support, and for your contributions of fans and cooling devices!

As I write this, our SIAMS inspection is still going on. We are pleased with how the day has gone, and look forward to sharing the report with you in due course.

I look forward to seeing many of you at the fair tomorrow.

Year 4 thoroughly enjoyed their trip to The British Museum on Monday to support their learning about Ancient Egypt. They had a presentation about Egyptian mummies and advances in technology which enable us to see inside the coffins in astonishing detail. They then went around all the Egyptian rooms which really brought our learning to life!

To finish off their maths learning about money this week, Year 4 held a café! They took turns being a barista and customer and had to add money to find a total, and then subtract to find change. Lots of fun was had, while at the same time, lots of learning!

Last Sunday eight of KS2 pupils represented Holy Trinity in the Chess Coaching Services National Finals held in Mill Hill, North London. The team did incredibly well to be one of the eight qualifying KS2 teams and achieved fourth place in the finals. The standard of play was exceptional, Evelyn won 6 out of 7 of her games and Yanni won against an opponent who plays for a national team! We are very proud of all eight chess masters!

Transition Morning – Tuesday 30th June

On Tuesday morning, your child will be spending some time with their next class teacher as part of our transition programme. We have deliberately done this earlier this year to allow for more visits for those children who find transition tricky.

Children will be collected from Collective Worship by their new teacher, and will spend some time with them, before returning to their current year group after play time. We look forward to our new Reception children visiting us on that day too.

I will send a Parentmail out on Monday, to let you know who will be teaching your child/children next academic year.
