

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

The hot weather has not curtailed our busy enrichment programme: Year 6 have attended a Citizenship event at AFC Wimbledon; Nursery have gone to Battersea Zoo; Year 4 enjoyed their Ancient Egyptian themed day; The Wimbledon Junior Tennis Initiative team have been in to spot talent in the younger year groups; The library have launched their Summer Reading Challenge with our children; Year 5 have competed in a bowls tournament; 4 Year 5 pupils participated in the Cayley Maths Challenge at King's College School; Year 5 have debated whether the use of screens makes you lazy and the Year 5/6 rounders team represented the school in the Borough championships!

Thank you to our entrepreneurial pupils who made lemonade and sold it in the park to raise money for our school. As you can see, it was very popular with our pupils. Well done!

As part of our service to the local community, these wonderful children have started a litter picking 'club'! We are so proud of all that they are doing to smarten up our community.

Many congratulations to Ben who competed in the Delancey UK Chess Challenge on Sunday and has made it through to the Gigafinals (semi-finals), in the under 12s age group.

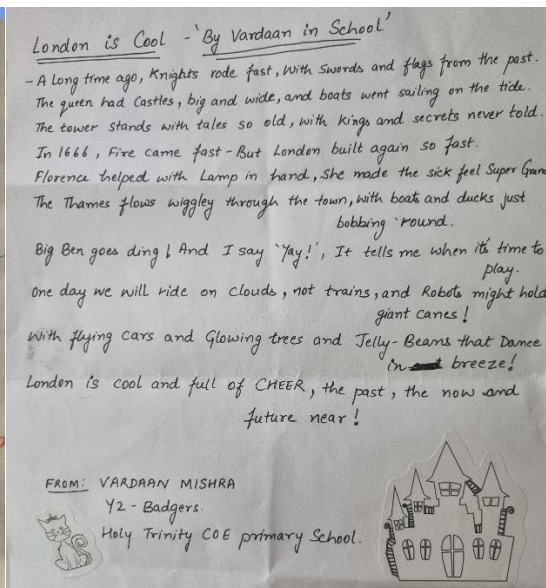

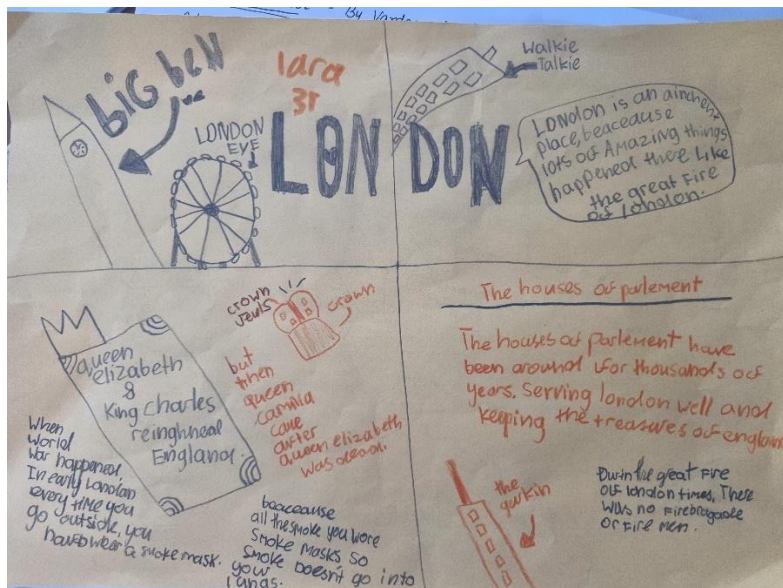

What an achievement – well done Ben.

Year 4 enjoyed an 'Ancient Egyptian Day' this Monday to celebrate the end of all their learning about this exciting period. They practised creating Ancient Egyptian art and have started making their own papyrus which they will then decorate. They also did some Egyptian dancing and made some lovely Egyptian collars.

The Year 5 bowls team had a great time representing our school this week.

Thank you to everyone who entered our recent London History Day competition. Here are some of the entries.
Mrs Raincock was very impressed by your knowledge of London history.

Last Friday Year 4 brought the Cafe to the classroom to practise their learning on money in a real life situation. Taking it in turns being Barista and customer, children ordered their choice of drinks and food, added up the total cost, paid for the amount using a suitable note, worked out and gave their change before enjoying their 'treats'!

Sports Week – 23rd to 27th June

I know a number of you have expressed concern about the current heatwave and our Sports Week next week. We have checked the forecast, and the temperatures are due to drop on Monday. We intend to go ahead as planned (please see the calendar for dates/times), but will, of course, review this if the forecast changes!

Please ensure children have sun cream on, hats and plenty of water. Thank you for your support.

The attached sheet gives an idea of the books which will be on sale.

28 Year 3/4 children took part in First Mathematics Challenge this week and did us proud!

6 were awarded participation certificates

6 were awarded bronze certificates

13 were awarded silver certificates

3 were awarded gold certificates

Well done HT!

Cayley's Maths Challenge

Four of our Year 5 children went to King's College on Wednesday to take part in the Cayley's Maths Challenge. They did brilliantly and we are so proud of them.

WINNING CLASS WILL HAVE THE HIGHEST
NUMBER OF CORRECT ANSWERS PER STUDENT!

Musicians' Taster Afternoon – Tuesday 30th September 2025 – Information for parents

We are delighted to share news of our upcoming Musicians' Taster Afternoon with you. This event, which will take place on **Tuesday 30th September 2025**, is open to all boys in **years 5 and 6 (from September 2025)** who have a keen interest in music or who may even wish to apply for one of our music scholarships at 11+ or 13+.

The aim of this event is to share our passion and enthusiasm for music and to showcase our exceptional music department. During our Musicians' Taster Afternoon, **boys and their parents** will be taken on a tour of our music school, hear from our current music scholars, and speak with our friendly and inspiring music staff. There will also be an open rehearsal and concert which we would invite those with grade 3 or above (in orchestral instruments) to participate in. For the keen pianists, drummers, and guitarists, we invite them to stay and watch the open rehearsal.

We should be grateful if you could share this email with your school parents and with your director or head of music. Parents will be able to find all the information regarding our event on the 'Open events and visiting King's' tab on our [11+](#) and [13+](#) admissions pages. We ask that the parents register their interest to attend by completing the following [form](#) by Friday 12th September.
