

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓ we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓ we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓ we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

Thank you for your continued support. Some of you have asked whether you will be given an update regarding the incident last week. I am afraid I am unable to give any updates at the moment, as the matter is still being dealt with by the police.

We have had a wonderfully curious week, with our Science Week, which started with a fun-packed science workshop. Thank you for your creative efforts with the costumes today!

We were thrilled to receive an email today from the Secretary of State for Education, Bridget Phillipson, saying the following:

Congratulations to you and your team on the excellent outcomes the disadvantaged pupils at Holy Trinity CofE Primary School achieved at the end of the 2024/25 academic year. Your school's performance places it among the very best nationally, and this is a significant achievement.

This success reflects the dedication of your staff and the hard work of your pupils. It shows what can be achieved when ambition and commitment come together. Thank you for everything you do to give children the best possible opportunities to succeed.

Your school's achievements demonstrate what is possible, and I hope you will continue to share your experience and best practice with others. Even the strongest schools can go further. We encourage you to lead the way as a system leader - sharing effective practice, championing networks, supporting collaboration, and helping raise standards across the sector.

The whole school participated in science workshops this week – the theme has been curiosity! The children have been asking scientific questions, and finding out the answers to their questions. Thank you to Miss Woods for organising such an inspiring week.

Year 4 enjoyed using 'Whisper telephones' this week to read out work without disturbing other children in the class. They enable the children to read aloud their writing to 'listen' for where punctuation needs to be for example.

Nursery loved their visit from the Fire Brigade – especially as they got to explore the Fire Engine.

Smartphone Free Schools – A date for your diary

On **Thursday 5th February 2026** at 6.30pm, Jennifer Powers, from the Unplugged Coalition (<https://unpluggedcoalition.com/>) will be coming to deliver a talk for parents/carers about reclaiming childhood from addictive technology. I heard her speak at a recent meeting for headteachers, and she was inspiring. Do put the date in your diary. If you are expecting to come please complete this Google form.

Coffee Morning for Parents/Carers of children who have SEND

Tracy Clarke, the SEND (Special Educational Needs and Disabilities) Outreach Worker from Merton, will be coming to school on **Thursday 29th January, at 9am**, for a coffee morning. The coffee morning will be suitable for any parent/carer who has a child with SEND, or is currently going through assessments for SEND.

Tracy will be sharing what support and services are available in Merton, as well as talking through SEND processes that take place in schools from SEN Support through to EHCP. She will also talk about the different teams and professionals who may come into school to see your child through NHS services.

Do sign in through the main school office next Thursday at 9am.

A message from Caterlink – our lunch company

We are carrying out our annual pupil survey to assist us in improving our catering service to our customers and we would value the opportunity to survey the pupils at your school.

We will provide feedback to schools whose pupils complete the survey once results have been analysed.

Survey closes on 27th March 2026 Primary Pupil Survey Link - <https://www.surveymonkey.com/r/R3RTFTV>

Parent/Carer Prayer Group

Did you know there are parents who pray for Holy Trinity School? You'd be so welcome to join our next prayer meeting.

Thursday 29th January, 8pm – on Zoom

Come and connect with fellow parents and join us in lifting our school up in prayer. For more info, contact Hannah at 07742671108. Hope to see you there!

Education Wellbeing Service Webinar

Promoting Sibling Harmony

This webinar provides parents with evidence based tools and ideas for supporting and strengthening sibling relationships at home.

Managing sibling relationships can be challenging.

In this webinar, we will explore a range of ways to:

- foster positive sibling relationships
- manage everyday conflict
- and encourage cooperative play

DATE / TIME
Monday, 26th January
7.00-8.00pm

LOCATION
Online - Hosted on Teams
