

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓ we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓ we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓ we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

As I write this, our Year 4 children will be on their way back to Wimbledon following their fun-packed PGL residential. We look forward to hearing their stories when they return. No doubt the children (and staff) will sleep well this weekend.

The teaching team had a fascinating professional development meeting this week delivered by Voicebox on promoting healthy masculinity. Do take a look at their website and let's be a school that promotes healthy masculinity <https://www.voiceboxcic.com/>

It was an exciting week in Nursery as we welcomed some tadpoles as part of our topic on Growing! The children were fascinated to observe them, and we are enjoying watching them grow and change each day.

Many congratulations to Raphy, who has been selected for the Middlesex Under 10s cricket team. Well done, Raphy!

Summer Fair Information Request

As class reps start planning for this year's Summer Fair, we'd love to tap into the amazing knowledge and experience from our previous class reps.

If you've been a rep in the past and have any helpful bits to share — notes, spreadsheets, ideas, tips, or even things that didn't quite work (those are just as valuable!) — we'd be so grateful if you could send them to us at hotsemail@gmail.com. Thank you for your support!

Message from the Children's Commissioner

As Children's Commissioner, I am writing to ask you to ensure all of your children complete my new survey, [The Big Future](#).

Under the Children Act 2004, it is my role to promote the views and interests of children in England, and I have done this so far by conducting the two largest ever children's surveys: The Big Ask and The Big Ambition.

Now, for the first time, hundreds of thousands of children will be eligible to vote in the next general election, the biggest change to the franchise in half a century. Yet just one in five children say politicians listen to them. That's why I'm launching my final survey, The Big Future.

Your students should complete the survey here:

<http://www.childrenscommissioner.gov.uk/thebigfuture>.

I want to make sure that I hear from as many children as possible, aged 0-18, from all backgrounds, in all schools and colleges, and in every part of the country. To do that, I need your help.

I am asking children about the changes they want to see in their communities, their biggest concerns, and their hopes for the future. More than anything, I want to know what they think a good childhood should look like today.

I will be publishing my findings next year, and they will be used to advocate at the highest level for solutions that children want to see, to the problems that they tell me are most important to them.

Thank you for your support.

Yours sincerely,

Dame Rachel de Souza
Children's Commissioner
