

## Sporting Success

This half term has proved to be just as exciting as the first half of autumn term! Coach Bailey has been training the sports teams hard and it has been fantastic to see them compete in several competitions. Their passion and commitment have been fantastic to observe as they compete against other local primary schools. A big thank you to Coach Bailey and all our sporting stars

## English Football League Trust Kids Cup Tournament

The EFL Trust Kids Cup was held at the Aspire Centre in Southfields Academy and was attended by 40 Merton and Wandsworth schools and 350 players! Our team were strong, winning their group of five schools and making it through to the play-off for the finals to be held in January. Unfortunately, the opposition in the play-off match were stronger than us on the day and we did not make it through this time but we will return next year!

## Y5/6 Hockey Development Competition

Our first hockey competition for many years and our highly skilled Year 5 and 6 hockey players won first place! We are incredibly proud of them and cannot wait to see what they do next!

## Y5/6 Hockey Borough Championships

Another week and another Hockey competition where seven more Year 5 & 6 pupils had the opportunity to show off their hockey prowess. They were a strong team from the start and played very well, coming first out of all the attending schools in Merton and winning the cup!

## Y4 Tag Rugby Festival

Our team of nine played tremendously well in all their matches, at Durnsford Road Recreation Ground, during the Tag Rugby Festival. They showed great team spirit and thoroughly enjoyed the opportunity to represent Holy Trinity – well done to our budding rugby players!

## Y5/6 Girls Football Borough Championships

The girls were at a disadvantage right from the start as we knew before the championship that we could not proceed any further in the competition. The rule is that the same children cannot attend the development competition and the borough championship but unfortunately due to pupil absence we had to send a three of the same players. However, they did not let this deter them and played with the same passion as they always do.

## Y5/6 Best Team Football Borough Championships

The final sports competition of the term saw ten of our Y5 & 6 boys compete against local schools in the Merton borough championships. Coach Bailey was very excited as he said that the team played excellently in training and they did not disappoint! They came second place in the borough, bringing home silver. Well done all!
