

Growing together as children of God

At Holy Trinity C of E Primary School:

- ✓ we want our pupils to **grow** in confidence, independence, resilience and knowledge, so that all achieve their full potential and develop a life-long love of learning and of the world around us.
- ✓ we work **together** with families, community and church to model positive relationships, supporting each other and acknowledging that we are stronger when we work together.
- ✓ we are growing together as **children of God**, strengthening our faith, secure in the knowledge we are unique, loved and cherished.

Dear Parents and Carers

We have had another packed week at school. A highlight was our School Eucharist, planned by our Growing Together in Spirit Team, Miss Panners, Father Mark and Reverend Mary. It was a special time to remember Jesus together as a school community.

We are so proud of our Year 1 children who completed their Phonics Check this week, and our Year 4 children who aced their Multiplication Check last week.

I was delighted to be able to meet with the Prime Minister's Appointments Secretary and the Archbishop's Appointment Secretary this week, to share my views on the appointment of the new Bishop of Southwark.

Year 4 has started learning about money and to start the unit, they thoroughly enjoyed making amounts using pretend money!

Girls' Cricket Success

On Wednesday, ten girls from years four, five and six competed in the borough girls' cricket tournament at The Old Rutlishians Association's ground. Two exciting, knockout eight-a-side matches were played against Bishop Gilpin and Poplar schools where there was a tremendous display of brilliant bowling and batting.

We made the final which was played against Wimbledon Chase Primary. Our girls were triumphant but it was a seriously close match with Holy Trinity winning by just five runs!

Well done and congratulations to you all!

More cricket opportunities

Some of the Year 5 students had a fantastic opportunity to attend Surrey Schools' Cricket Day at The Kia Oval. Though the rain delayed the match, the children were able to practise their cricket skills and enjoy the buzz of the grounds, amongst thousands of fellow students. The children enjoyed watching the match, and even received a signature from Matthew Fisher who bowled out two Hampshire players.

Imogen is part of Kingston Artistic Swimming Club and her U12 team won the gold medal at the championships this weekend with their routine!

Many congratulations to you all.

Last weekend Charlie (5H) and James (5T) competed in an U10 Little League Tournament composed of the winning teams across southwest London individual leagues, and their team won the whole thing!

Many congratulations to you all.

Lucas, João and Joshua all competed in the London Youth Games last weekend in the 9 to 10 novice BMX category. They all reached the B final. Well done to you all.
